

Shop Technician

Do you want to work in the movies? A good way to break into the industry is to be on time, work hard, get your hands on the equipment to learn it inside and out and meet the players in the industry. DTC has started many a gaffer or grip on their careers. You could be next...

DTC Lighting & Grip has been in business since 1986 in the movie, film, and tv industry. It's a small company, located in Emeryville, CA with 8 full-time employees, plus the two original owners. We have a rental department and shop that helps out customers looking to rent trucks, lighting & grip equipment for their commercials, photography, film & movie shoots. We're proud to have supplied equipment to major movies & television shows.

We have an open position in our warehouse. This is a full-time positions with benefits.

This position is full-time, Monday through Friday. Our work hours are 8:30am-5pm. Overtime is occasionally required.

About the position:

Your role in the warehouse primarily would be to help pull outgoing rental orders, test and confirm the equipment is in working order, and help return items back to the shelf when a rental returns. You would also need to be able to help load and unload trucks with rental equipment. There are also other duties as assigned under the direction of our shop manager.

You must be willing to drive our pickup trucks and small (16') trucks for deliveries to/from our customers around the bay area. Days would be split between the occasional delivery (as needed) and working in the warehouse. Standard driver's license & clean driving record required.

Preferences will be given to those who have lighting knowledge in this industry or from similar industries (theatre, events, photography) but we are willing to train if you do not. If you have a can-do attitude, can take direction well, work hard and show up on time, we'd love to talk to you.

Requirements:

You must be vaccinated against Covid-19.

You must be able to lift 50lbs or more.

You must be able to stand, squat, lift and push & pull.

You must be able to speak English fluently.

A valid driver's license & clean driving record required.

Benefits for full-time:

Paid health, dental & life insurance (after 2 months)

Paid sick & vacation time.

401k plan with employer matching (after 6 months)
